

Wall Mount for the PowerLite[®] 400W

The perfect mount for the Epson PowerLite 400W widescreen projector, this product offers an easier, more affordable solution for installation applications. The length of the cables and the time needed for installation are reduced, while the working area in the classroom is enlarged, with more space for the students and more freedom of movement for the presenter.

Specifications:

- 35" to 41" adjustable throw distance (assuming ~2" thick projection surface)
- 81" to 92" 16:10 image size (assuming ~2" thick projection surface)
- 5 degrees yaw adjustment
- Tilt and roll adjustment
- Weight: 20 lb
- Supports 100 lb, but gently folds with weight, preventing injury or damage to the projector
- Includes plastic wall cover and nosepiece to prevent exposed cabling
